LEADING THE TREND

Sofeyia originated in France in 1981.
In 2001, Sofeyia introduced Sogal sliding door wardrobes,
ushering in a new era of custom cabinetry in China.
It became the first listed company in China's cabinetry industry in 2011
(SZ Stock Code: 002572).

INTELLIGENT MANUFACTURING

With a total of 1 million m² factory space, Sofeyia's manufacturing system covers all main areas of China and is able to provide a variety of products with short lead times. Also, its internal network operates with a high-efficiency plan to ensure the whole supply chain of the enterprise runs smoothly all the time.

210+ INTERNATIONAL DESIGN AWARDS

Caesar Series

Future Star City is a brand-new luxury-themed smart home design solution created by Sofeyia. Using electroplated textures, contrasting tones, and orange accents combined with metal, glass, and lighting elements, it creates a mysterious, futuristic ambience. Innovative liquid metal paint technology and integrated smart modules bring a refined, high-tech living experience.

Avignon Pro Series

Inspired by Chanel, this exquisite French retro style features arches with black-and-white accents, weaving elegance, beauty, and comfort into an innovative space. This series is the recipient of the 2025 MUSE Platinum Award.

Nini Series

Inspired by the classic film Roman Holiday, this design blends the silk texture of Princess Ann's dress with the curved elegance of Roman arches. Using creamy white tones with metal, leather, and silk details, it creates a soft French-style ambience. Butterfly motifs, brand logos, and graceful lighting enhance the elegance, while customized cabinets offer both beauty and functionality.

Sofeyia cooperates with internationally famous design institutions, absorbs global cutting-edge design wisdom, and has a broader international vision and design concept. Combining big data and a large number of practical cases, Sofeyia better understands the design and quality of living in China, and provides better life solutions for tens of millions of families.
